Dear John:

I just wanted to take a moment to formally thank you for your assistance during my recent business search for a manufacturing company in the Puget Sound region. I had been looking through brokers and not really had an experienced partner to bounce ideas off of for about six months before you were recommended to me. The quantity and diversity of the businesses that you located was beyond my expectations (and worth your fee just for this service). I would have never found a business in the niche industry that I purchased and let alone in only seven months. My wife and I are up to our necks getting landed in the new business- it is great!

Sincerely,

A handwritten signature in black ink, appearing to read 'Robb J. Stilnovich', with a large, stylized flourish at the end.
